### **How to Get Started:**

Ready to start planning? Visit our website, [www.russosevents.com](http://www.russosevents.com), and submit our Catering Inquiry Form, or send us an email at [russosevents@outlook.com](mailto:russosevents@outlook.com), and a member of our team will contact you to schedule a consultation.

---

### **Deposit:**

A \$1,000.00 Non-Refundable Deposit is required for Booking. If our catering services are cancelled, or rescheduled, the full amount of the deposit is forfeited. That is because, once we book your event, we start to turn away other potential clients for the same date/service. However, when the event moves forward as scheduled, the Deposit is applied toward your outstanding balance. So, it is not a separate or additional fee. It is a non-refundable deposit required for booking that is forfeited if our catering services are cancelled or rescheduled.

### **Booking Policy:**

Upon receipt of your deposit, a member of our team will email you confirmation of booking. Your event is not booked until we receive your deposit and event details (names and contact information; event date; event location; menu items, packages and catering services; service times; and guest count). Booking is on a first come, first served basis – solely based on the date and time your deposit and the aforementioned event details were received. Regardless of whether you have consulted with our team, received a quote, and informed our team that you intend to book, your event is not booked until the deposit event details are received.

### **Premium Dates:**

We reserve the right to charge an Additional Fee of up to \$1,000 for Premium Dates, such as Saturdays during the Spring and Fall, Holidays, Holiday Weekends, days leading into and days following Holidays/Holiday Weekends, and any other date that our company determines is a Premium Date. Premium Dates are dates that are either highly sought after, resulting in booking conflicts, or dates that are difficult to staff and require us to pay increased wages in order to staff. For those reasons, we may require an additional fee. If your event falls on a Premium Date, any additional fee will be included in a line-item on your initial quote.

### **Additional Fees:**

Additional Fees may apply for Premium Dates (as previously set forth), Extended Travel, and catering charges assessed by the venue. Extended Travel is travel that exceeds 1hr and 30minutes from 2526 Maple Ave., Zanesville, OH 43701. The Extended Travel fee is \$250 per each additional 30-minute travel increment and will be included as a line-item on your initial quote. Any catering charges assessed by the venue will be passed through to the client. Such charges may not appear on an initial quote. Client will be notified of any catering charges assessed by the venue when the caterer learns of such charges.

### **Modification of Event Details:**

You may increase or reduce the guest count by no more than 20% of the guest count reported at the time of booking. The final guest count is due at least 14-days prior to your event. The final guest count must be within 20% of the guest count reported at the time of booking.

The date that is 60-days prior to your event is referred to as the Confirmation Date. You must confirm all services and menu items by the Confirmation Date. From the time of booking, until the Confirmation Date, you may modify any details without penalty or restriction. After the Confirmation Date, you will not be permitted to make modifications, including, but not limited to eliminating or reducing services, eliminating or reducing menu items, and/or exchanging menu items for lesser expensive menu items. Except that, after the Confirmation Date, you may modify your guest count as set forth above.

### **General Information About Our Standard Catering Service:**

All of our services are self-serve buffet-style catering services that require guests to pass through a buffet line, or come to a station, and place their own food onto their own plates using the serving utensils provided (or dispense their own beverages from beverage dispensers). Unfortunately, we are unable to offer any food or beverage service at the guest tables. As such, we cannot provide plated meals served to the guests at their tables, family-style meals with platters of food at the guest tables, or beverage services that entail either pitchers/containers of beverages being placed at guest tables or staff refilling beverages at the guest tables.

Our standard food service time is for up to **2-hours** (excluding the time for set-up and tear-down). The charge for additional service time is **\$250** per hour. You may schedule a maximum of 2-hours of additional food service time.

Unless a package or service listed in this catalog specifies otherwise, our standard catering service includes:

- Catering staff shall arrive at your event location at least 1-hour prior to the scheduled start time for your catering service
- Caterer to provide buffet tables w/ black fitted linens that fit the buffet tables provided

- Caterer to provide disposable plates, napkins and plasticware that will be placed on the buffet
- Catering staff to shall maintain the buffet, keeping it clean and stocked during service

Payment of 50% of your remaining outstanding balance is due on the Confirmation Date. Said 50% payment amount is determined by arriving at a total price for catering services after you have confirmed your event details, then subtracting the \$1,000.00 deposit received, then dividing the resulting figure by 2. The remaining balance is due at least 14-days prior to event.

## **Menu Tasting**

We set up the buffet in front of our mobile wood fired pizza oven so that our staff can take fresh, hot pizzas out of the oven and place them directly onto the buffet. As guests pass through the buffet line, they enjoy watching our staff make pizza and cook in the wood fired oven.

We bring only the pizza ingredients necessary to make the pre-selected pizzas.

We provide the buffet tables, buffet table linens, serving platters, serving utensils, disposable plates, disposable napkins, disposable plasticware, and all equipment necessary to operate the buffet.

Our staff sets up and tears down the buffet, and keeps the buffet clean and stocked during service.
